@EuMoExpo | EuMo Expo

To sidestep any potential issues arising from the forthcoming Olympic and Paralympic Games being organised in the Paris region,
EuMo Expo has decided to set up in Strasbourg from 1 to 3 October 2024

European Mobility Expo

the biennial event
for sustainable mobility professionals

+11000
participants

+20000 sqm
of exhibition space

+250
exhibitors

©KENGOKUMA & ASSOCIATES – IMAGE BY LUNANCE

The exhibition brings together 250 exhibitors

ranging from startups to world leaders,
all presenting their mobility solutions.

The packed programme

includes talks and workshops dealing
with the issues facing the sector
as well as pitches
from exhibitors – all excellent
opportunities for discussions
and interaction between
politicians and professionals.

Bespoke business appointments

to discover new markets and develop your
business in France and elsewhere.

European Guest of Honour
to be announced soon.

Awards honouring and supporting

the women and men working
in the industry: the Public Transport
Innovation Awards, the European Talent
in Mobility Awards and the Smart Move
Challenge for emerging startups.

EuMo Expo's move to Strasbourg opens up new perspectives

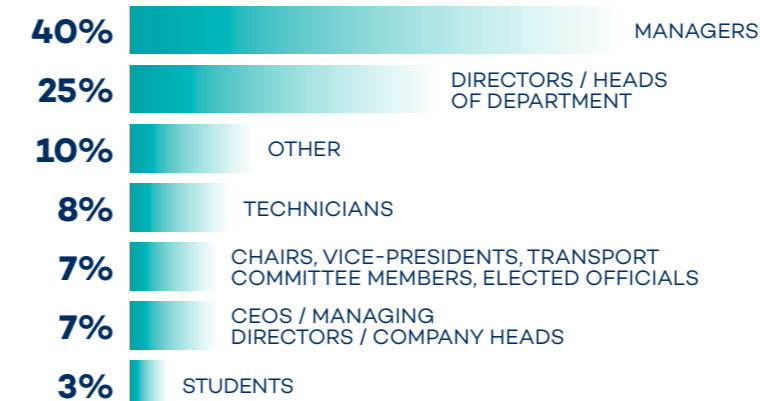

A new exhibition venue
in natural surroundings,
accessible by tram from
the city centre.

**Close to the European
Parliament: an ideal setting**
in which to share various visions
of mobility from across Europe.

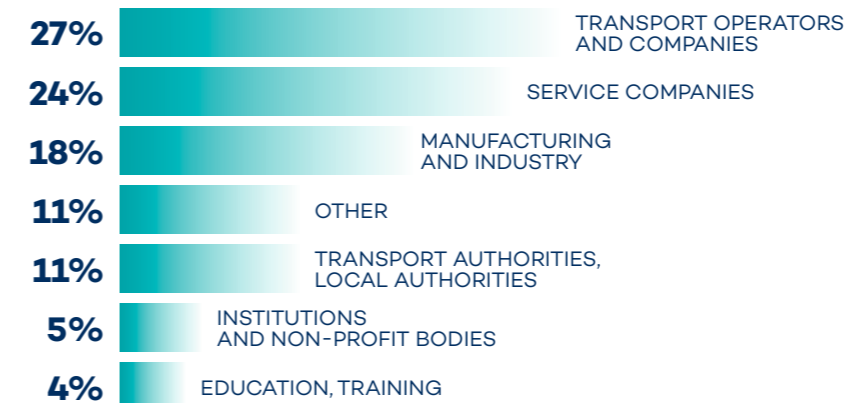

**Located at the heart
of Europe**
in a region that's committed
to sustainable mobility.

Passenger information systems

**+ a village devoted to startups and an
Active Mobility space**

“ We’re honoured and delighted to be welcoming this European event bringing together localities that are firmly committed to mobility – all the more so in that Eurométropole is itself committed to development, adaptation and innovation on a daily basis for mass transit and changing mobility practices. Our European Metropolitan Express Network serves our entire territory, backed by a tram network that’s in the process of being thoroughly redeveloped.”

Pia Imbs, Président
Eurométropole
Strasbourg

Strasbourg and its mobility revolution

A European rail hub

Served by the TGV-Est
and Rhine-Rhône
high-speed lines

Citywide cycle networks

one of France’
largest

The first city in France

(outside the Paris region)
to be developing a city-wide
express rail network

The densest tram network in France

(which is also a cross-border network,
reaching into Germany)

A pedestrian master plan

promoting shared public space and
seamless modal interaction
